

References		Formwork & Special equipment			
Main contractor	Reference	Country	Services provided by Marti Technik AG	Formworks and equipment	Drawn up
Joint Venture Marti Meyrin	Tunnel Cern	CH	Design, planning, construction, delivery and installation	1 x displacement unit 1 x vault formwork 1 x scanclimber	2019
Groupment Marti Nations	Tunnel de Nation	CH	Design, planning, construction, delivery and installation	2 x elm tunnel formworks	2019
Marti AG Bern	CSL Behring	CH	Design, planning, construction and delivery	24 x wall formworks	2019
ARGE SBT 3.1 Grautschenhof	Tunnel Grautschenhof	A	Design, planning, construction, delivery and installation	1 x invert formwork	2019
Fink Holzbau AG	Fink Holzbau AG	CH	Design, planning, construction and delivery	1 x Hall 13 x Posts 8 x U-Profiles	2018
ARGE Marti Belchen	Portal buildings Belchen	CH	Design, planning, construction, delivery and installation	Handrails and flights of stairs	2018
ARGE Marti Gubrist	Gubrist Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x transfer bridge with invert formwork 1 x kicker formwork 1 x vault formwork 1 x reinforcement and concrete carriage 1 x false ceiling carriage 5 x false ceiling formworks 1 x cross-cut formwork	2018
ARGE MBW Eppenber	Eppenber Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	2 x vault formworks 4 x shoulder formworks 2 x collar formworks 1 x shaft formwork	2018
ARGE MBW Eppenber	Eppenber Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x cross-cut formwork 1 x double invert formwork 2 x kicker formworks 1 x device for vertical shaft of emergency exit	2017
Tübbingwerk Klus	Gubrist Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	6 x piping channel formworks	2017
ARGE Tunnel Petersberg	Petersberg Tunnel	D	Design, planning, construction, delivery, installation and commissioning	1 x tunnel expansion system	2017
ARGE MBW Eppenber	Eppenber Tunnel	CH	Design, planning, construction and delivery	1 x TBM pressure ring 1 x mortar silo platform 1 x gravel silo bridge 1 x ventilator platform 14 x double spreading shoe formworks	2016

Consortium Tunnel de Champel	Champel Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x formworks emergency stop 2 x hydrant niches 1 x sealing carriage 1 x reinforcement carriages 1 x shoulder formwork	2016
ARGE Marti Belchen	Belchen Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x duct deflection station 1 x transfer bridge with invert formwork 1 x excavator mounting plate 1 x reinforcement carriages / manipulator 1 x kicker formwork 1 x vault formwork 3 x sealing carriages 1 x false ceiling carriage 8 x false ceiling formworks 1 x SOS and hydrant niche 1 x collar formwork accessible cross-cut	2016
Fink Ernst AG	Riding Centre	CH	Planning, construction and delivery	1 x steel construction for hall	2016
ARGE Marti Schlossberg	Schlossberg Thun	CH	Design, planning, construction and delivery	1 x gooseneck 1 x equipment platform	2016
ARGE Sassa	Sasslatsch Tunnel	CH	Design, planning, construction, installation, commissioning and delivery	1 x invert stone fork 1 x parament press 1 x tubbing adjustment device	2016
ARGE Marti Amsteg	Amsteg Power Station	CH	Design, planning, construction and delivery	1 x shotcrete template	2015
ARGE MBW Eppenber	Eppenber Tunnel	CH	Design, planning, construction and delivery	6 x Lego brick formworks 1 x advertising tower	2015
Consortium Tunnel de Champel	Champel Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	2 x loading ramps with invert formwork	2015
Marti Technik AG, Steine & Erden	Eppenber Tunnel	CH	Design, planning, construction, installation and delivery	1 x roll crusher	2015
Association Tunnel de Court	Court Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x reinforcement carriage	2015
Marti Gründungstechnik AG	Fundex SE	CH	Design, planning, construction and delivery	2 x lattice tower extension	2015

Tübbingwerk Klus	Belchen Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	5 x piping channel formworks	2015
Marti Gründungstechnik AG	Moosseedorf Operations Centre	CH	Design, planning, construction, delivery and installation	1 x container platform	2015
Marti Gründungstechnik AG	Fundex F2800	CH	Design, planning, construction and delivery	3 x lattice tower extension 1 x crane extension 1 x vibrator	2015
Consortium Tunnel de Champel	Champel Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	2 x kicker formworks 1 x vault formwork	2015
Arge Tunnel Küchen	Küchen-Frankenhain	DE	Design, planning, construction, delivery, installation and commissioning	1 x invert formwork with chassis	2015
Consortium Tunnel de Champel	Champel Tunnel	CH	Design, planning, construction and delivery	2 x vibration device for transfer bridge 2 x concrete device for transfer bridge 1 x gooseneck 1 x settling tank inspection	2014
Fanger Betonwerk	Giswil Concrete Plant	CH	Planning, construction, installation and delivery	2 x unloading fork 12 x tubbing segment formworks	2014
Association Tunnel de Court	Court Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x bottom plate formwork 1 x laterally invert formwork 1 x kicker formwork 1 x vault formwork	2014
Alcoa Lista Farsund	Farsund Aluminium Plant	NO	Design, planning, construction, installation and delivery	1 x roll crusher	2014
Arge Kraftwerk Limmern	Limmern Pumped Storage Power Station	CH	Design, planning, construction, installation and delivery	1 x train for injection device inclined shaft	2014
Groupement Marti Implenla	GMI Nant de Drance	CH	Design, planning, construction, delivery, installation and commissioning	2 x invert formworks with chassis 2 x vault formwork 4 x sealing carriages	2013
Groupement Tunnel de Choindéz	Choindéz Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	4 x kicker formworks 2 x vault formworks 2 x SOS niche formworks 1 x false ceiling carriage 8 x false ceiling tables	2013
Arge Kraftwerk Limmern	Limmern Pumped Storage Power Station	CH	Design, planning, construction and delivery	1 x platform moated castle	2013

Arge A49 TU Frankenhain	Frankenhain Tunnel	D	Design, planning, construction, delivery, installation and commissioning	1 x invert formwork with chassis	2013
Frutiger AG	Loveresse Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x gantry crane "David" 1 x gantry crane "Goliath" 1 x counter formwork to vault formwork	2013
Renesco a.s.	Snekkestad Tunnel	NO	Design, planning, construction, installation, commissioning and delivery	1 x excavator Liebherr R954C as tubbing segment manipulator	2013
Marti Gründungstechnik AG	Moosseedorf	CH	Design, planning, construction, installation, commissioning and delivery	1 x test hammer 10 to.	2013
Frutiger AG	Loveresse Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	2 x bottom plate formworks 1 x laterally invert formwork 1 x piping channel carriage 4 x piping channel formwork 1 x reinforcement carriage 1 x vault formwork	2013
Sabag AG	Biel / Bienne	CH	Design, planning, construction, delivery, installation and commissioning	1 x crane flap to steel hall	2012
Arge Kraftwerk Limmern	Limmern Pumped Storage Power Station	CH	Design, planning, construction and delivery	1 x platform inclined shaft "Mörtalbruch" 2 x fullround formworks, UWSTD	2012
Marti Gründungstechnik AG	Moosseedorf	CH	Design, planning, construction, delivery, installation and commissioning	3 x concreting device "Big Foot"	2012
Groupement Tunnel de Choindéz	Choindéz Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x transfer bridge with invert formwork	2012
Arge Transco Sedrun	Gotthard Base Tunnel, Sedrun, South Area	CH	Design, planning, construction and delivery	12 x additional shoulder formworks	2012
Arge Kraftwerk Limmern	Limmern Pumped Storage Power Station	CH	Design, planning, construction, delivery, installation and commissioning	1 x fullround formworks, OWSTD	2012
Arge Transco Sedrun	Gotthard Base Tunnel, Sedrun, South Area	CH	Design, planning, construction, delivery, installation and commissioning	1 x carriage for shoulder formwork 14 x shoulder formworks	2011
Arge Coburg Ost	Rennberg Feuerfelsen Tunnel	D	Design, planning, construction, delivery, installation and commissioning	1 x invert formwork with chassis 1 x reinforcement carriage with pallet truck 1 x vault formwork 3 x sealing carriages with moistening device	2011
Arge Transco Sedrun	Gotthard Base Tunnel, Sedrun	CH	Design, planning and delivery	1 x collar formwork cross-cut	2010

Groupement Tunnel de Graiteray	Graiteray Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1x vault formwork 1 x false ceiling carriage 5 x false ceiling tables	2010
Marti Tunnelbau AG	Buchrain Tunnel	CH	Design, planning, modification, installation and commissioning	1 x vault formwork	2010
Tübbingwerk Klus	Buchrain Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	3 x piping channel formworks	2010
ARGE Bibratunnel	Bibra Tunnel	D	Design, planning, construction, delivery, installation and commissioning	3 x vault formworks 9 x sealing carriages with moistening device 2 x collar formworks cross-cut	2009
Groupement Tunnel de Bois du Montaigne	Bois du Montaigne Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x invert formwork 1 x vault formwork	2009
Groupement Tunnel de Bure	Bure Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x bottom plate formwork 2 x invert formworks coupleable (25m) 1 x kicker formwork 2 x vault formwork 4 x sealing carriages 1 x false ceiling carriage 8 x false ceiling tables	2009
Groupement Tunnel de Graiteray	Graiteray Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x invert formwork with transfer bridge	2009
Tübbingwerk Klus	Bois du Montaigne Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	6 x piping channel formworks	2009
Arge Transco Sedrun	Gotthard Base Tunnel, Sedrun, North Area	CH	Design, planning, construction, delivery, installation and commissioning	2 x kicker formworks 1 x carriage kicker formwork 2 x vault formworks 2 x combination carriages 2 x sealing carriages 1 x reinforcement carriage	2008
Consorzio Marti	Galleria Veduggio Cassarate	CH	Design, planning, construction, delivery, installation and commissioning	1 x false ceiling carriage 5 x false ceiling tables	2008
Groupement Tunnel de Moutier	Moutier Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x invert formwork 1 x reinforcement carriage / manipulator 2 x kicker formworks 2 x vault formworks	2008

Tübbingwerk Klus	Längholz & Büttenberg Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	tubbing segment formworks 12 x standard stones 6 x counter-capstones 3 x capstones	2008
Tübbingwerk Klus	Swiss Federal Railways SBB	CH	Design, planning, construction, delivery, installation and commissioning	5 x formworks for platform angles	2008
Tübbingwerk Klus	Bure Tunnel / Neu Bois Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	12 x piping channel formworks	2008
ATNB Neu Bois	Neu Bois Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x vault formwork	2007
Tübbingwerk Klus	Bure Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	tubbing segment formworks 6 x bottom stone 6 x ulmen stones 3 x first stones 3 x capstones	2007
AETC, Marti Travaux Spéciaux	Corcelles Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	1 x ceiling formwork	2006
Arge Transco Sedrun	Gotthard Base Tunnel, Sedrun, South Area	CH	Design, planning, construction, delivery, installation and commissioning	2 x kicker formworks 1 x carriage for kicker formworks 2 x vault formworks 2 x sealing carriages 2 x combination carriages 1 x reinforcement carriage 1 x formworks emergency stop 1 x shaft formwork, different small formworks	2006
Tübbingwerk Klus	Swiss Federal Railways SBB	CH	Design, planning, construction, delivery, installation and commissioning	10 x formworks for platform angles	2006
ARGE IBT Islisbergtunnel	Islisberg Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	4 x vault formworks 1 x reinforcement and concrete carriage 1 x carriage false ceiling 10 x false ceiling tables 1 x collar formwork cross-cut accessible 2 x SOS and hydrant niche formworks	2005

ARGE Ferden	Lötschberg Base Tunnel, SPV Ferden	CH	Design, planning, construction, delivery, installation and commissioning	1 x transfer bridge 1 x vault formwork	2004
ARGE MaTrans Steg/Raron	Lötschberg Base Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	2 x shoulder formworks	2004
ARGE Vorlos Frutigen	Lötschberg Base Tunnel, Vorlos Frutigen	CH	Design, planning, construction, delivery, installation and commissioning	1 x shoulder formwork with transfer bridge	2004
Alfred Kunz GmbH	Subway Garching	D	Design, planning, construction, delivery, installation and commissioning	2 x reinforcement carriages 2 x fullround formworks, 1 x vault formwork 1 x collar formwork	2003
Tubbing Segment Plant Klus	Islisberg Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	16 x piping channel formworks tubbing segment formworks 6 x bottom stones 6 x ulmen stones 3 x first stones 3 x capstones	2003
ARGE MaTrans Steg/Raron	Lötschberg Base Tunnel	CH	Design, planning, construction, delivery, installation and commissioning	2 x kicker formworks 6 x vault formworks TBM 6 x vault formworks blasting 6 x transfer bridge blasting 2 x cross-cut formworks 2 x shoulder formworks with transfer bridge 1 x profile control carriage 2 x supply carriages 1 x scaffold carriage	2003
